

Adjustable Elastic Wristband with White Clasp

- **Extra wide, soft elastic fabric.**
Comfortable and flexible.
- **Solid stainless steel machined stud on all 4mm units.**
Durable, providing long life and reliable circuit connections.
- **Silver impregnated nylon fabric interior surface.**
Superior conductivity
- **Adjustable.**
Only one item to stock; snug fit.
- **Unique patented (U.S. Patent 4,662,695) adjustment design.**
- **Medical grade 300 series stainless steel used for all metal parts.**
Reduces chance of skin reactions.
- **Non-shedding, non-sloughing band material.**
Safe for micro electronics
- **Date coded.**
Traceable, to ensure quality control.
- **Designed to satisfy Wrist Strap requirements of IEC 61340-5**
- **Per EN 61340-5-1 paragraph 5.5 EPA working practices**
“The primary means of grounding personnel shall normally be by a wrist strap connected to an EBP.” Paragraph 5.2.7 “The wrist strap shall consist of a band that fits snugly around the wrist and a cord to connect the band to an EBP. The wrist strap shall incorporate a quick release connection. The cord shall have a termination compatible with the EBP and shall incorporate at least one insulated current-limiting resistor. The total resistance from hand to EBP shall be in accordance with table 1 [Rg 7,5 x 10⁵ to 3,5 x 10⁷ ohms].”

Art.	Description
ESD 60060	10mm stud version - Light Blue
ESD 60032	4mm stud version - Dark Blue
ESD 60030	4mm stud version - Light Blue

Premium Bench Mounted Ground with Parking Station

- **Wrist strap parking station on unit.**
Allows operator to hang wrist strap when leaving workstation.
- **Two 10mm studs and banana jacks, dual input function.**
Provides two grounding points for wrist straps or carts.
- **Ring terminal at end of cord.**
Allows easy attachment to building ground.
- **Mounts under the front edge of workstation.**
Saves work space.
- **Two Parking Studs.**
Helps prevent damage to cord when not in use.
- **Extra ring terminal included.**
Provided for customising cord length.

Art.	Description
ESD 60354	3.0m wire, 10mm male snap adapters for banana jack ground connection point.
